GUIDELINES:

- Every competitor will receive a participation certificate in recognition of their attendance in the competition. You must be available for competition any time between 8:30am and 8:00pm on the competition day (time depending on competition year).
- Apprentices / trainees achieving first place in any regional competition heat will be automatically invited to compete in the Grand Final, to be held at Ryde TAFE Sydney in September 2010.
- A tray of fresh produce will be provided from which vegetables, accompaniments and garnishes are to be selected. ONLY basic stocks may be bought in and all sugar, chocolate work or tulle must be done on-site.
- Competition heats are conducted in a regular TAFE / CIT teaching kitchen, with each apprentice / trainee allocated a workstation, sink and two burner stove. Entrants may be required to share facilities with another competitor (dependant on number of competitors).
- Trainees and apprentices competing for the first time should not be too nervous, as the judges are there to help you.
- Menus will be provided in the Handbook and sent to each competitor upon receipt of their registration to HTN.
